When Dreaming of a Home Dream of Jeanne!

Our Clients Say It Best

Jeanne and Jim truly are the dream team! We have both sold and purchased homes, and have never received the kind of experience before that we did with them. They both went above and beyond in the marketing of our home, and explained every step of the process outstandingly!! In addition, we could not be more happy with the transition to our new home. They have found us our dream home! While I don't see needing their expertise in the near future, we both highly recommend them to everyone! We not only received the full package, we have gained new friends from this experience.

Jeanne was great in dealing with my Mom. Excellent service - even made us an apple pie!

Mike Platt

Jeanne & Jim did an outstanding job for us. We feel like they were available whenever we needed them. What's special and stands out: The open dialogue/great communication we received; superior marketing plan/materials; the agency walk through; websites; the personal touch – home baked pie was unexpected and much appreciated! Jeanne & Jim are a class act. We will gladly refer them & use them again in the future.

Robin & Steve Walker

Jim & Jeanne,

Thanks a million for working so hard to sell our home. Something like 8 weeks from listing to closing?! Thanks, too, for the pie, dish & towels. Best apple pie I've ever had! Mostly, thanks for your faith & friendship. God bless!

Jeanne did everything and the process was very smooth.

The Jeanne Scott Dream team was exceptional in keeping us updated on every phase of selling the house. They were there for the three of us and went out of their way to take care of all signings even if it wasn't at the same time. Your Dreams will come true when you trust The Dream Team at The Hardie Group. We want to thank you for your friendship, smile, and apple pie.
